

MUDBRICK⁹²

Mudbrick Recommended Vendors

Waiheke Island is well set up to cater for your special day and has an excellent selection of local associated services - this is a list of businesses we recommend. We liaise with these businesses regularly and they are familiar with Mudbrick and our proceedings. We are very experienced at arranging weddings so please do not hesitate to ask us if you have any questions regarding the organisation process.

TRANSPORT

Transport is an essential part of your wedding at Mudbrick – it is necessary to book transport for the end of the night for every guest, whether the guests are staying on the island or taking the ferry. The taxi services on Waiheke are unable to cope single handedly with large numbers because they are limited in number and they serve numerous other venues on the island.
