## our story

the space you are currently sitting in began life as an open courtyard but has morphed into a glamping style undercover tent, to protect one from harsh uv rays or inclement weather. whilst thinking about a bar to service this area, we remembered the wonderful sculpture that we loved, exhibited at headland sculpture on the gulf in 2015 by waiheke artist and resident, denis o'connor entitled 'the archive bar'.

we loved the concept so much that we wanted to re-create it and provide an element of permanence to his beautiful work. It's a mixture of art, and waiheke history.

In the mid 1990's, denis launched a fictitious vineyard named '372 estate', named after our telephone code. he subsequently "released" new labels. these works riffed on the language of wine culture, terroir, varietals, taste signifiers etc. as a device to explore aspects of the regional history of the hauraki gulf. he also released a few newspaper editions as well, mentioning historic moments such as when neil young came to waiheke stopping in to one of the local hairdressers for a haircut.

'the archive wine bar' takes its inspiration from road side pop up cantinas, wunderkabinets/cabinets of curiosities, poster hoardings and the like. in line with the impermanence of our tent roof we felt the concept was the perfect marriage of waiheke history, art and wine culture.
