About Our Vineyard

The first plantings at Mudbrick were in 1992 by Nick & Robyn Jones. The planted area is now on five distinctively different sites across the island. Plantings currently include cabernet sauvignon, merlot, petit verdot, malbec, syrah, montepulciano, albarino, chardonnay, pinot gris & viognier. Hand picking, hand plunging & gentle pressing reflect in the character of our wines. Our chardonnay exhibits the vibrancy of hot, dry Waiheke summers. In addition to our Waiheke range, we also produce some wines from other New Zealand regions.

Waiheke is diverse. Although it is identified by its geographical boundaries of being an island it does have many different microclimates, soils & characteristics. The purchase of the Shepherds Point vineyard in 1998 secured us one of the best viticulture blocks on Waiheke Island. Today five vineyards sit under our management. Mudbrick is planted on mostly north facing clay slopes with a closer maritime influence, while Shepherds Point lies on gently undulating terrain within a valley, under the protection of the long Stony Ridge. The most recent addition is our Seaview Road vineyard, producing syrah, chardonnay & pinot gris, joined by Hawkes Crest just around the corner & Browns Vineyard here in Church Bay. One of the advantages of having sites spread across the island is that we can blend separate parcels together to produce a more complex & rewarding result. Differences can be exemplified with our merlot batches where Shepherds Point provides a strong leather character & Mudbrick gives dense chocolate & plum characters.

Our Winemaker

In 2011 we welcomed Patrick Newton as the Mudbrick Winemaker. Prior to joining the Mudbrick team Patrick gained a wealth of experience in the wine industry from a young age. He spent his childhood working on the family-owned Cornerstone Vineyard in the famous Gimblett Gravels wine region. Once he finished school, Patrick studied at Lincoln University, graduating in 2005 with a Bachelor of Viticulture & Oenology. Eager to gain experience, Patrick completed international vintages in Australia, Germany & the USA. Patrick has also worked at several New Zealand wineries including Forrest Estate, Villa Maria Estate, Constellation, Esk Valley Estate &, for four years, as Assistant Winemaker at Vidal Wines in Hawkes Bay. Patrick makes his wines with minimal handling to allow a true expression of terroir to come through in every wine. In 2014 & 2015 Patrick won the Riedel New Zealand Young Winemaker of the Year competition & in 2016 he won New Zealand Winemaker of the Year. In 2025 Patrick & Mudbrick took six trophies at the New Zealand International Wine Show, including Winemaker of the Show & Wine Company of the Show. In 2026 all three of our flagship wines were awarded gold medals at Decanter, the world's most prestigious wine show.

In The Vineyard

In our vineyards we know that balance creates harmony. This is where our Vineyard Manager, Nick Otto's experience & understanding of the Waiheke microclimate comes into play. After completing his studies he worked in wineries in Marlborough & Auckland gaining experience before heading overseas. He worked the 2005 vintage at Château La Tour Blanche in Sauternes, Bordeaux. After another two years on Waiheke learning about the unique demands of island wine production, Nick then headed back to Bordeaux for a vintage winemaker job at a small producer, followed by a move to the Hunter Valley in Australia.

After his overseas vintages Nick moved to Hawkes Bay to take a viticulture role with Delegat's. Four years there gave Nick a very diverse experience of high quality large scale viticulture, & the role as Assistant Manager of Delegat's Heretaunga Plains Vineyards saw him involved with a number of large scale vineyard developments on the Gimblett Gravels. The position of Vineyard Manager at Mudbrick appealed to Nick as it offered him the opportunity of a more hands-on role. It enables Nick to apply his skills & knowledge to produce the best possible wines from two unique sites on Waiheke. In 2025 Nick assumed the role of General Manager of Winemaking & Viticulture alongside his role as Vineyard Manager, working closely with Patrick to create stunning Waiheke wines.

Together, the land, the soil & the people create our environment. With this in mind we have undertaken a programme of sustainable wine growing. It all starts at pruning time as the sou'wester whips the ears & smarts the cheeks. Each vine is pruned with respect to how it performed the year before: more wood for the bolshy, less wood for the shy. The prunings are mulched back into the soil.

From budburst onwards, as the shoots appear they are tucked into vertical hedges to prevent damage. Just towards the end of flowering a leaf pluck is performed by hand to remove all the leaves from around the bunches. This allows the light to shine on & the air to circulate around the developing fruit, thus reducing fungal spoilage & increasing the development of ripe flavours & tannins. Hand-harvesting is the norm for all our fruit; only the best & cleanest fruit makes it into the picking bins & on to the winery.

Our Flagships

Our flagship wines mark a journey spanning three decades. The Velvet, first released in 2008, was Mudbrick's original flagship, a Bordeaux-style blend built to showcase Waiheke's finest fruit in its finest years. Francesca followed in 2017, a chardonnay named for our founder's daughter, & in 2019 Oscar Syrah joined the family, named for their son. In 2024 the Velvet was renamed Robyn's Velvet, honouring Robyn Jones, co-founder of Mudbrick & mother to the family behind it.

Each flagship is made only in an exceptional vintage, from our very best fruit, & bottled in an exclusively small run of under a few thousand bottles. Every bottle is packaged accordingly, a fitting vessel for wines made to last.

Our flagships have won many awards across the world's most prestigious competitions. In 2026, all three wines (Francesca Chardonnay, Oscar Syrah, & Robyn's Velvet) received gold medals at Decanter, the world's most respected wine competition.
